Good News

Trudie & Carl Blank are both okay after being rear-ended in Albuquerque, New Mexico.

ANNUAL JULY PICNIC

It was a perfect day for a picnic at Grass Valley Park. Members and guests enjoyed delicious hot dogs cooked by Kenny Majors and shared side dishes.

Among the happy picnickers were John Stutz and Karen Colbert who are pictured on the right.

Introductions of guests were made by President Renee Lewis & announcement was made of our upcoming Bagel Brunch next month.

Member Sondra James presented a donation check to Jack Cooperman who came as a representative for Meals on Wheels. He spoke to us about how they help people that are unable to get around.

Our next guest to speak was Griffin Monical, 1st place winner of the Rim of the World High School Essay Contest. He read his timely paper on "Why it is Important to Vote."

Member Cheryl Schwartz presented Griffin with an award and a check. He was very grateful as he plans to use it for college.

Special thanks to Vice-President Laurie Majors for making all the arrangements from reserving the park to requesting potluck dishes and bringing the hot dogs & buns.

Thanks also to Chef Kenny and to everyone who brought those delicious side dishes to make this picnic a lovely event.
