PICNIC in the PARK

On July 15th, members and friends who love a good hot dog came to enjoy a lovely day at Arrowhead Lake Association's Grass Valley Park.

A big thank you to Kenny Majors for being our chef and cooking all the hot dogs to perfection!!!!

President Renee Lewis (still tan from her trip with Sid to Hawaii) introduced many new guests and welcomed everyone!

VP/Social Chair. Laurie Majors spoke sincerely about MJC being open to all who want to join us. Our focus is on helping others and also enjoying friendships together. She then introduced Norma Saken, the originator and chairman of our very successful Bids & Brunch event in June. Norma explained how the non-profit organizations who contributed items for our auction will directly receive the money raised from those items.

Representatives from three of those charities were present. Norma called upon Marilyn Mays & Jim Bolognino from ROTW Educational Foundation, and gave them a check for \$241. Next was Michelle Calkins from Mountain Search & Rescue who was given \$639, and Penny Shubnell from Crestline Friends of the Library received \$570.

From left to right, Penny Shubnell, Jim Bolognino, Marilyn Mays, Norma Saken and Michelle Calkins

Much appreciation to Norma for coming up with Bids & Brunch, a unique idea for a fund raiser which enabled MJC to further help the many charities we support on the mountain.

We wish to thank everyone who brought a terrific dish to share at the picnic. Everything was delicious!!
