MAIL YOUR CHECKS TO: MJC PO BOX 101 BLUE JAY, CA 92317

What a Wonderful Evening!

With MJC member Scott Rindenow as our guest speaker, we had a fascinating evening listening to him discuss his career in the news industry. Scott's own father was involved years ago in a prop room, and other jobs that had to do with the entertainment industry. As a young man, Scott accompanied his father to various jobs, and got a flavor of what there was for him to do. Over the 37+ years of his career, he spent many years supervising the CBS evening news in Los Angeles. Scott told us the evolution of the TV news industry up to and including what is happening now. Years ago, many employees were required to work as a team to bring the news to viewers in a timely and professional way. Now with the great technological advancements at hand, only two or three people are required to get the job done. So much is done by computer that news stations save hundreds of thousands of dollars by eliminating employees.

Scott recognized the importance of teamwork and was filled with appreciation for all that his colleagues did to make their finished product one of excellence.

He told stories about special memories and incidences that occurred and shaped his take on life. When natural or world disasters struck, Scott and his family would be at the studios so that Scott could get his job done. Very much a family man, Scott expressed gratitude to his wife Roberta for her supporting him in his demanding career. Long and odd hours took him away from her and their son. Now Scott is enjoying retirement and the time he spends with Roberta and his son David.

A few of his awards were shown including an Emmy (one of 7 received), and a Directors Guild of America Lifetime Achievement Award. He has received numerous other honorable awards of recognition from the industry. Thank you, Scott!

We also appreciate Jeff Perlis of Prime Properties for having us enjoy the warmth of his office for our evening, and to Rob Daly for taking care of our needs and the use of the facility! Also, the food treats brought by our members were delicious! Great participation!

MJC member Norma Saken presented a check to Jill and Russ Neumann of Arrowhead Foster Family Agency. Jill spoke of the responsibilities of this agency and how much they do for the youngsters in this community. We are proud to have them as our newest MJC donation recipients!

MJC'S POLAROTARY PLUNGE HERO, 2018

MJC member Chris Kraskin, is our hero of the 2018 PolaRotary Plunge! Coming in 2nd place in the costume contest, he won **1st** place in our hearts as he jumped into cold Lake Arrowhead water and earned us \$1,500! Even though he did not feel well that morning, Chris had a smile on his face and the heart of a Superhero! Thank you Chris and all of our members who donated money and showed up to cheer Chris on! And if you were wondering, yes, those are his well-earned hero muscles. Well, sort of.
