CHANUKAH 2018

A chilly night brought light and laughter to the Blue Jay Community Room, and some surprises! From Chabad of the Inland Empire, we were delighted to meet Rabbi Shalom Harlig and his wife Chani. They led us in song, story, and the joy of celebrating Chanukah. Chani brought homemade jelly doughnuts, and Cal State San Bernardino student, Aton Mink played guitar in the background to sweeten the night. Our own members supplied applesauce, latkes, sour cream, tuna and egg salads, and other non-meat dishes. We were also happy to be included in a Havdalah service that Rabbi Harlig conducted, as well as conversations of the important meaning of lighting candles to bring hope to a time when there is still anti-Semitism in the world.

The gift exchange game was a fun event with some nice and unusual items to be had. A gift trading frenzy came at the end!

Our own Polly Sauer has offered to jump in the lake to raise money for both the Special Olympics and MJC. A sheet was passed around for those wanting to sign up to sponsor Polly. MJC earns half of Polly's pledges if the amount goes over \$500!

EVERYONE IS WELCOME!
