MJC MEETS DR. VAN MARTIN, GENERAL SURGEON AT MCH

A very warm and friendly group of members gathered together on Saturday, March 16th at the home of Norma Saken in Crestline.

Kim McQuire, the Director of Community Development at Mountains Community Hospital, was there to introduce the new surgeon, Dr. Martin.

He spoke to us about his education, what type of surgery he performs and how he and his family chose to locate in Lake Arrowhead. He also answered quite a lot of questions. We were very impressed with his professionalism and friendly personality. We're glad he is working at the hospital in case we ever need him!

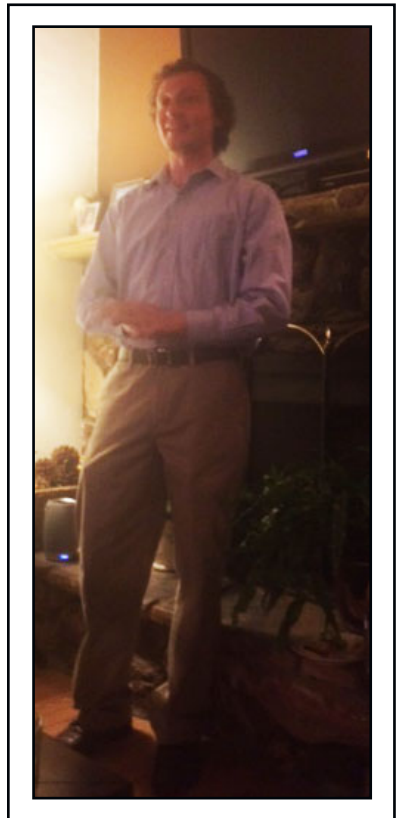

Kim updated us on many subjects pertaining to the hospital and also answered questions. Many plans are underway for upgrading the hospital.

Kim McQuire & Norma Saken

On behalf of MJC, Norma presented Kim with a donation check for MCH Foundation. She was very grateful and thanked us all.

Much appreciation to Norma for her own professionally catered display of delicious and beautiful looking food. There was even a raddish shaped like a mouse on top of some cheese! How can you beat that?
