

April 2020

# NEWSLETTER

Dear Members,

Due to our concern about protecting our members and their families from the coronavirus we are canceling the April 11th Seder. The Mountain Jewish Community appreciates your understanding and support and we look forward to resuming such an important and meaningful tradition with you next year.

We wish all of you a healthy and happy 2020 Passover!

***Stay safe and follow medical advice. This too shall pass.***

## Happy Souls on a Chilly March 14th Night Makes for a Successful MJC event!

Friendship, shared stories, and a hot potato bar, brought us together for a fun evening at the home of hostess Norma Saken and the ever popular Spanky! Assorted questions were passed out to everyone, so we had a chance to answer them and share a bit about ourselves in the process. The ice cream sundae bar had fresh fruit, assorted sweet toppings, and just the right amount of choices for a build-it-yourself dessert.

Thank you Norma, for preparing all the food for us. Also, much appreciation to all our members who came out in the fog to share in the fun!
