Appreciation from our Donations

Much thanks to Polly Sauer for MJC receiving a check for \$1,4650 from the Lake Arrowhead Rotary Foundation recently. Polly bravely jumped into the lake at their annual PolaRotary Bear Plunge last February. The money she raised is split 50/50 with MJC and the Rotary Foundation.

Polly also raises money for MJC at her weekly Yoga classes. Angela Yap is one of her students who chooses to contribute to our group. Our thanks to both Polly and Angela.

A lovely thank you letter came to us from the San Bernardino County Sheriff's Department in Twin Peaks Search & Rescue. Enclosed was a photo of all the rescuers who each signed the back of it.

RECOMMENDED

Marlene Crossner

Marlene was impressed with the **Maisie Dobbs** series written by **Jacqueline Winspear**. She's also a huge fan of the **Louise Penny** series called **Inspector Gamache**.

Norton and Leslie Marks

They highly recommend **Bolivar**, a multi-episode series on **Netflix**. They felt the content was very interesting and it had quite a bit of historical truth to it. Are you a veteran? You'll appreciate **The Last Stand of the Tin Can Sailors**. Norton says it's one of the most interesting books he's ever read!

Thanksgiving 2020

Dear MJC members,

For so many years we've been blessed to have the generosity and kindness of Norton and Leslie Marks hosting the Pre-Thanksgiving dinner. It has been one of the most well-attended and delicious events in recent MJC history! With COVID 19, our activities are limited for the benefit of all. As we won't be having our annual celebration next month, we'd like you to send in a short sentence or two that tell us: **WHAT ARE YOU GRATEFUL FOR?**

We will try to use all of your thoughts in our November newsletter! Please send your contribution to Laurie at: hatbrand@verizon.net by November 1st.
