Thanksgiving 2020

For so many years, we've been blessed with the annual gift of our MJC Pre-Thanksgiving dinner. Held at the home of Norton and Leslie Marks, the well-attended event has even had a 'wait list' added to it because of being so popular. Beyond the great culinary delights and festive ambience, this gathering has given us another reason to be grateful. We get to come together to share in each others lives, family stories, hugs not given often enough, and to celebrate the precious times we spend together as a special organization.

This year will be different as we avoid Covid-19, and find new ways to celebrate. Let's remember that no matter what the circumstance, or where you celebrate, we all have much to be grateful for.

Do you have something to be grateful for? Please tell us so that we can put it in December's newsletter.

Email Laurie at hatbrand@verizon.net or call her at (909) 336-5700. The MJC board wishes all of you a healthy and happy Thanksgiving.

RECOMMENDED

Cher & Richard Lavin

Describing **Homeland** as a 'home run,' **Richard and Cher Lavin** loved the 'edge of the seat' entertainment! Extolling the story line and actors, this Prime Video and Showtime series is something to be checked out!

Knives Out, was a great mystery/comedy, according to **Cher Lavin**. It should still be on Netflix and Amazon Prime, so grab a box of popcorn and enjoy a great cast. See Christopher Plummer, Jamie Lee Curtis, Daniel Craig, and other recognizable stars!

Majors' & Reismans'

The Good Doctor is a favorite for the Majors' and Reismans'! It's back on Monday nights on ABC. You are sure to become addicted to a most *unusual* lead character and storyline.
