Like i was saying, the circus is just one of my careers. The real money comes from frosted flakes

If I had a dollar for every girl that found me unattractive, they'd eventually find me attractive.

I find it ironic that the colors red, white, and blue stand for freedom, until they're flashing behind you.

If you can smile when things go wrong, you have someone in mind to blame.

I hate it when people use big words just to make themselves sound perspicacious.

Behind every great man is a woman rolling her eyes.

I'll bet you \$4,567 you can't guess how much I owe my bookie.

I bought a vacuum cleaner six months ago and so far all it's been doing is gathering dust.
