Ann Weinman led us in the Havdallah service which ends at sundown on Saturday evening and also welcomes in the new week.

President Renee Lewis made announcements of upcoming events and introduced our newest member, Cheryl Schwartz. Donations were given to the people below.

Ann spoke to us about her recent educational trip to Israel which led her to places most tourists don't get to see. Others who were there relived their experiences and this made for a very interesting evening leaving many people wanting to go to this fascinating country.

Josita Todd (l) and Pat Enterrios (r) of Rim of the World Education Foundation was given a donation check by MJC from Michele Cohen.

Polly Sauer (left) who is representing the Land Trust, received a check from MJC by Norma Saken, our hostess with the mostest.

Thanks so much to Norma for hosting and coming up with having a Israel theme providing so many delicious Israeli foods. Thanks also to Trudie Blank, Laurie Majors and the Lebowitzs' for their contribution.

That's Entertainment!
