MARK YOUR CALENDAR FOR BIDS AND BRUNCH ON JUNE 17TH!

We need each of you to participate in our new event to raise money.

On Saturday, June 17, 2017 Mountain Jewish Community will hold its first-ever live auction **Bids & Brunch** at The Tudor House in Lake Arrowhead, to benefit the many non-profit organizations on our mountain. The "*TWIST*" in **Bids & Brunch**, is the offering of one-of-a-kind items/talents/services/activities, etc. from the MJC members, and many of the participating non-profits located in our community. All proceeds donated by the organizations will go directly to them.

More information will come to you in the next few months, so mark your calendar and be prepared to participate in a wonderful community event!

Do you have something wonderful to donate that would enhance our auction? Contact Norma at nsaken@charter.net or at (909) 589-0293.

“ME, MYSELF AND I”

Getting to know a Member of Mountain Jewish Community

SUSIE STUART

Susie Stuart and her husband David, have given decades of commitment to community service, and passed along that dedication to their four children, including spouses. They are very proud they share their compassion to give back. Along with each being college graduates, they are loving human beings and genuinely good people. It looks like the tradition will continue with their six grandchildren!

Susie is gainfully employed by Mountains Community Hospital. Working in the MCH Foundation office, she welcomes community donors and continually raises money for our local hospital. Her biggest accomplishment yearly is the highly successful Le Grande Picnic fundraiser. This further substantiates Susie’s lifelong ideals of not just “belonging” to an organization but getting out there and making a difference. She is a member of many mountain groups such as Soroptimists, Arrowhead Arts Association and Lake Arrowhead Republican Women.

She worships at the Twin Peaks Community Church and is actively involved in a bible study class with that group.

Born in Seattle, Washington and then moving to California, Susie married David. They have been permanent mountain residents for the past 16 years. With a love of travel, floating down the many rivers in Europe rank among her favorite leisure activities. Susie is an avid reader and an enthusiastic watcher of football and basketball competitions.

Susie is grateful for the life she’s been given and enjoys all its many gifts, like the wonder of creation and the beautiful people that have enriched her life. She’s always kind to others and when she greets you, her inviting smile makes you feel like an instant friend!
