OUR CONDOLENCES, on the passing of Tom Fisher's father. Tom and Pax Tisdale spent many happy times in his presence. You are in our thoughts.

AUGUST POTLUCK A DELICIOUS EVENT!

With delightful temperatures and a slight breeze, the potluck social at the home of Al Smith and Pat Davis was a wonderful event! An assortment of food items graced the table, summertime drinks were plentiful, and pretty flowers did their best to enhance the evening.

Rim High School Essay winner Rei Thielbar accepted his first place prize of \$500 for his excellent entry. Using personal experience, he addressed the essay question of: How do we peacefully discuss the vast differences in our society? What specific suggestions can you offer? We are proud of the job that he did and know his future in computer science and software design will be bright!

Norma Saken received a certificate of appreciation from MJC President Renee Lewis for her successful endeavor with Bids and Brunch, the all-community fundraiser that brought in almost \$8,000 for many of our mountain non-profit organizations.

Mountains Community Hospital Foundation board member (and MJC member) Midge Reisman gratefully accepted a donation of \$1,000. This was a small part of what was raised at Bids and Brunch. The money will help the hospital to purchase vital diagnostic equipment.

A big “thank you” to all who attended for their contributions and presence! An even **bigger** one to Al and Pat for hosting this in their beautiful home!

GOT MAZEL?

Congratulations to Leslie and Norton Marks on the graduation of their son Kile from Georgetown Law School! What a great guy!
