PRE-THANKSGIVING DINNER AT THE MARKS' HOUSE

SATURDAY, NOVEMBER 10TH, 6:00 PM

Another wonderful celebration of Thanksgiving will be hosted by Norton and Leslie Marks. We have a limit of 53 people, with non-members being placed on a waiting list. So make your reservations no later than November 4th, and join us for the festivities. This year Renee Lewis will be taking reservations at (909) 337-4404. Leave a detailed message and let her know what you'd like to bring. Due to the cost of hired help to set up, clean, serve, etc., we are asking for **each** attendee to pay \$15.00 for this event. Non-members pay \$20.00. Checks can be mailed to MJC, PO Box 101, Blue Jay, CA 92317 and are due by November 3rd.

Directions: From Peninsula, turn onto Old Toll Road. Continue to the first intersection at Pioneer Road, and then go right. Continue uphill a little way until you see a short stone pillar and access road on your right. It is located down the road between 580 and 588 Pioneer Road. The road dead ends at the Marks' house. A few parking spots are near their house and at the neighbor's homes. Most parking is on Pioneer Road and is a relatively short walk.

NOVEMBER ANNIVERSARY!

Leslie and Norton Marks

MJC HOSTS INTERNATIONAL KITCHEN TOUR

Thanks to the generosity of Woody and Michele Cohen, MJC was able to serve dishes representing Israel, at our recent fund raiser. Benefitting both **People to People International** and **Rim Ed Foundation**, a variety of foods were presented to over 100 guests during the five hour tour of four houses, each offering a different cuisine. We offered hummus with pita, Israeli salad, matzo ball soup, kugel, and strudel. The food received great reviews! All recipes will soon appear at www.mountaincinemaclub.com.

We greatly appreciate the Cohen's for offering their house, and the hard work and time from our cooks Norma Saken, Cheryl Schwartz, Trudie Blank, and Laurie Majors. Norma played the role of Event Organizer and performed wonderfully! We even had Judaica on display. Our volunteers Jack and Roberta Herson, Jeff Perlis, Nancy Usen, Midge Reisman, and Phil and Linda Simmons were great support staff!
