FEBRUARY SOCIAL COLD ON THE OUTSIDE, WARM ON THE INSIDE

The Tudor House presented *Sherlock Holmes & the Adventure of the Impaled Whaler*. With MJC's Richard Lavin as the creator of this Sherlock Holmes piece and his representation of the great English detective, you can be sure the part was well-played. Backed up by other MJC 'hams' made it worth the drive over on ice covered streets. Both Phil Simmons and Armand Lasage pulled out all the stops to deliver their talents! What a fun time we had, and a big **THANK YOU** to our talented members for their successful efforts creating laughter and warmth to the theater crowd!

POLLY SAUER TAKES THE PLUNGE FOR MJC

On a miserably cold, wet, and windy day, Polly Sauer dove into Lake Arrowhead to raise money for both MJC and the Special Olympics. Yes, she dove twice, while most of us huddled in our warm homes, clutching a cup of coffee, too hot to drink! Polly raised \$ 1,730 so that we can continue to provide financial support for our local community efforts. Thank you Polly, for braving the freezing temps and icy cold waters of this wonderful mountain community! You always give us your best which makes you the BEST!
