

September 2020

NEWSLETTER

Dear MJC Members:

It has been a long six months since we have been together and hopefully, all are well and staying safe.

First, I want to wish all a Happy New Year, L'Shana Tovah, hopefully going into a sweet and healthy new way of life.

The Board has been working on what is feasible to present to our membership but ideas keep being delayed due to the COVID-19 restrictions.

We are hoping that an October get together outdoors, six feet apart with people supplying their own food and drinks might be possible. The Board still looks forward to the Thanksgiving dinner tradition as well as a Chanukah celebration.

Please let us know if you have scheduling suggestions for October or 2021.

Good health to all.

Renee Lewis, President

Happy Birthday!

RECOMMENDATIONS

Phil and Linda Simmons

They really enjoyed two HBO series. The first show is **Billionaires** and the other is **Succession**. They recommend you tune in, too!

Peter and Jeannie Venturini

They had watched **Game of Thrones** some years ago. Once quarantine started a few months back, the re-watched it. Their second time through they really enjoyed it much more than the first time! You can see this on Netflix!

Ed and Midge Reisman

They have loved watching **The Good Doctor** on HULU. The main character, played by Freddie Highmore, is outstanding as he portrays a medical savant with high functioning Autism. This is great for those of you who love the medical field, learning from your couch, and outstanding acting!

Cheryl and Barry Robinson

They are big fans of the Netflix shows, **Longmire** and **The Crown**. Just a few of Cheryl's favorite books are **The Silent Patient** by **Alex Michaelides**, a hard-to-put-down thriller, and **Ruth Hogan's** charming and fanciful book, **The Keeper of Lost Things**.

Please share what you've enjoyed reading or watching these past few months! We want to know! Send your information to Laurie at hatbrand@verizon.net!

L'Shanah Tovah

*May you and your families be blessed with
the goodness of a healthy and happy new year!*
